***

LOCAL ADMINISTRATION DEPARTMENT
18660 To
13 APR 1953
SECRETARIAT, MADRAS

The Secretary to Government,
Local Administration Department,
Government of Madras.

Sir,

1/ When the District Board applied for a loan of Rs.125000 from Government for the Construction of Buildings for Board Ele.Schools, the Government in their memo No.40314 D/52-2 Edn. A.12-11-52 ordered that the loan should be applied for only after the plans and estimates are approved and the works are ready for execution.

2/ At present it is the Highways Department which is preparing plans and estimates for the works of Ele.School buildings. My experience of the Highways Department is that plans and estimates for the construction of buildings, major repairs to the existing buildings, valuation of buildings proposed to be taken for rent are not received from that Department in time. The Highways Department in this district is not adequately staffed and if the District Board is to depend upon the Highways Department for plans and estimates required to give effect to the building scheme for which the loan was applied for, there seems to be no prospect of the District Board getting the estimates in time and the proposed building scheme being worked out with any success. Similarly there are other technical works which call for the services of a separate District Board Supervisor. The buildings taken on rental basis have to be valued while buildings gifted to the Bd. have to be inspected and stability certificate obtained. He will also be assigned the work of preparing estimates and plans and supervise the work of construction.

3/ In the interests of the works mentioned above

P.T.O.

Recm 21.4

36406 Dt 21.3.53

it is proposed to employ a qualified Supervisor under the Dt. Bd. for a temporary period of one year. I therefore request the Government kindly to sanction the post at a very early date.

ASST. SECRETARY TO GOVERNMENT

P.W.(RI)

Memo No. 36406-R/53-6 dated 21-11-53

Sub: Establishment - Highways Department - Temporary - South Kanara District Board. Preparation of plans and estimates for construction of Board Elementary Schools - employment of special supervisor.

Ref: From the Chief Engineer(H) letter No. 29920 H4/53-6 dated 24-9-1953.

In paragraph 2 of the letter cited, it is stated that under the Community Projects scheme, half the cost of the new buildings for Elementary Schools in Mangalore and Karakal Taluks limited to Rs.5,000/- for each work is available and that unless the District Board has the estimates ready, it will not be possible to claim the grant from the scheme. But the villages where are the sites are the works for which estimates are to be prepared, do not find a place in the list of villages in the Community Project Scheme nor are the works included in the approved overall programme of works in the South Kanara Community Projects Area. The Chief Engineer(Highways) is therefore requested to get the matter clarified from the President, District Board, South Kanara, and send his report. He is also requested to expedite the resolu-
